

Lands' End \$100,000 Partners in Education Scholarship
Lands' End Hosts Scholarship Sweepstakes Valued at Over \$100,000
Parents Can Enter Now

Dear Parents,

We are eager to share the exciting news that on April 26th, Lands' End is launching the **2009 Lands' End Partners in Education Scholarship** exclusively for parents of children enrolled in our school, as well as other qualified Lands' End Preferred Schools.

I'd like to encourage you to enter the sweepstakes for a chance to win a \$10,000 scholarship for your child's education and to increase the chances of our school also winning!

Parents need to enter online at www.landsend.com/scholarship to qualify to win. One entry per household is valid and parents can sign up until July 15, 2009. Winners will be contacted during the first week of August.

Five lucky families will each win a \$10,000 scholarship to be placed into a pre-established 529 qualified tuition plan account. The five corresponding schools will also win a \$10,000 funding contribution. From all entries received, Lands' End will also award 100 parents a Lands' End Gift Card valued at \$100 that can be used toward school uniform purchases.

Enter today at www.landsend.com/scholarship for a chance to win for you and our school. The more parent entries we have from our school, the more chances we have to win \$10,000 towards our school's fundraising efforts.

Sincerely,

School Administrator
